Andrea,

Thanks for making EPA Administrator Gina McCarthy available to sit down with Governor Tomblin. This will be a great chance to continue the dialogue from their previous meeting at the White House.

As to your two questions. First, Sherrie Stone, [Sherrie.L.Stone@wv.gov](mailto:Sherrie.L.Stone@wv.gov) (304) 558-3145, is Governor Tomblin's Executive Scheduler and will be the point person on setting up a time for this meeting. I will note that Governor Tomblin is the Vice-Chair of NGA's Economic Development and Workforce Committee so he would want a time between 4:30 and 6:00 pm.

While this is preliminary, the topics would include EPA's response to the Freedom Industries chemical spill in West Virginia, regulation of coal mines and air regulation of existing power plants.

Thanks,

Chris Weikle

Hello,

Thanks for your interest on behalf of your Governors in meeting with EPA Administrator Gina McCarthy during the upcoming NGA Winter Meeting! To be sure the Administrator gets time with each of your Governors, I'll be scheduling 20-minute meetings from 3:00 p.m. until 6:00 p.m. on Saturday, Feb. 22. (The room is still TBD but it'll be in the JW Marriott)

Please note that these "office hours" coincide with two concurrent sessions -- the Homeland Security and Public Safety Committee session, and the Economic Development and Commerce Committee session -- from 3:00 -- 4:30 p.m., and a reception from 4:30 -6:00 p.m. (draft agenda, attached).

Two things I'm looking to you for right now/in the very short term:

1. Who in your shop should I work with on scheduling?
2. As soon as possible, could you let me know what topic(s) your governors are interested in speaking with the Administrator about?

Thanks, and let me know if you have any questions!
